

Na Gaeil Juvenile Notes Monday March 2nd 2020

.Our U8 squad had a break from their usual training regime and had a fun filled morning at the Na Gaeil clubhouse. The magician was a big favourite and we would like thank all those who helped to make this occasion a memorable one. We are back to business next week when training resumes at the Kerry Sports Academy facility IT Tralee. Please be there at 10.50am so we can start on time. Please bring water, gum shields and €2. Player registration deadline is approaching, another chance to register next week.

Na Gaeil U12 s practicing their left and right point kicking during the dry spell at the IT on Sunday morning which was followed by a lively game focusing on speed and passing.

Our U14s had an early start last Sunday as they took part in the "Comórtas an Earraigh" in Gallarus. The lads played very well in 5 games, eventually losing to An Gaeltacht in the final. Next Sunday, 8th, the team is due to play its first game in the Suits Select Town Board League. Our opponents are John Mitchel's and the game is due to be played at 11am in Na Gaeil. We wish them all the best. Finally, everyone in the u14s would like to wish a speedy recovery to Seán Warr following his recent injury.
