**Covid-19** During this time of uncertainty surrounding the COVID-19, as we are all keeping our distance, it is important that we look after our wellbeing and the wellbeing of others around us. Below are a few tips to support you in doing just that.

**Physical Health** Lots of fresh air by keeping a simple exercise routine. Encourage your young children to use this time to practice skills - Kerry GAA have been working with **The Performance Lab** over the past few months and they have given us **FREE** access to the First 5 Level of their Superheroes platform.

Ensure that you are getting enough sleep and limit the use of devices at night. Be mindful of alcohol consumption as it can weaken the immune system and have a negative effect on your mood and mental health.

*We can't stop the virus, but together, we can slow it down.*

Keep practicing the guidelines below and play your part.

Reduce social contacting - stay apart but stay in contact with family, friends & neighbours

- Distance yourselves 2 metres from people in shops and supermarkets
- Stop shaking hands
- Avoid touching our eyes, nose or mouth

- Washing our hands regularly and practice cough and sneeze hygiene
- Clean and disinfect frequently touched objects and surfaces
- Work from home where possible

### Stay Safe

The virus doesn't move. People move it. If we stop moving, the virus stops moving. Then the virus dies. It's that simple. Stay indoors and stop the virus.

**Coaching Webinar** To help coaches through this difficult period, the GAA, An Cumann Camogaíochta and the LGFA have created a series of coach development sessions to take place over the coming weeks. The sessions will run every Tuesday and Thursday at 7.30pm. They began on March 26<sup>th</sup>.

The sessions will be along two separate formats. Every Tuesday there will be a live Questions and Answers session with a coach. Any participants in the Q and A will have an opportunity to view the coach delivering a session from the GAA Games Development Conference over the last couple of years and submit their questions via the registration form for the coach to answer live.

Every Thursday there will be a live webinar presented by a coach or coach developer. The webinar will be a 30 minute presentation followed by a live Q and A with the presenter.

**Juveniles** We hope that all our juvenile players are doing well and not finding the restrictions too taxing. It is important to stay positive and hopefully you will all be back playing in Na Gaeil in the not too distant future. In the meantime this is the ideal opportunity to get out into the back yard or garden and improve your array of skills. When you eventually get back to Na Gaeil you will be a much better player and enjoy your football even more. So get out there and start today.

**Club Activities Suspended** As we know all club activities are suspended until further notice and by the looks of things it could be a while. The pitches and the gym are closed and will remain so until the restrictions are lifted. We know that this is an inconvenience for everybody but we also know that things will get back to normal in the not too distant future. We all must play our part.

**Clubhouse** The clubhouse will be closed for the foreseeable future. This means that our Monday night bingo, Tuesday night lotto and Wednesday night card playing are suspended indefinitely as well as all other activities that normally took place there on a weekly basis.

**Personal Responsibility** As we are living in testing times we all have a personal responsibility to adhere to the government and HSE guidelines and ensure that we implement them fully. Hand washing and social distancing are essential if we are to keep Covid 19 at bay so we all have to play our part and we can fight this together.

**Sympathy** We in Na Gaeil GAA Club offer our sincere sympathy to the family of Damien Lyne, Cleeney, Killarney who sadly passed away last week. Damien was a formidable player with Legion GAA Club and represented them at all levels. Ar dheis Dé go raibh a anam dílis.

**Good Luck** We wish everybody well in the days and weeks that lie ahead. It is important that we stay upbeat and support everybody around us. The weather is improving and we are allowed to go for walks once we keep our social distance. We live in a beautiful county and lets enjoy the beauty of nature all around us. We have a duty of care both to ourselves and others. Stay safe and stay positive.

**Clothes Collection** There is now a Clothes Collection Bin situated in Na Gaeil car park for use by all members of the public.
